

Keeping your documents CONFIDENTIAL

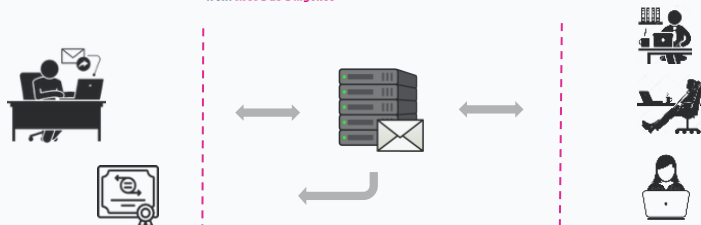

- ✓ Like 'registered post' but electronic
- ✓ A simple transfer, no storage
- ✓ Certificate of transfer
- ✓ Safe, secure and easy to use

Ideal for legal, medical or commercially sensitive documents

It's simple ... if you want to
transfer documents with another person
without those documents being read,
stored, exposed to AI services or
processed in any other way, this is for you
It is easy to use and fast

 **Secure Document Transfer**
from **first Due Diligence**

GDPR compliant and hosted in the EU

The document transfer service for professionals
